

UMass Boston Babylab --- Research Assistant Application

Save as **FIRSTNAME_LASTNAME_APPLICATION.DOC** and e-mail it to:

Sangya.dhungana@umb.edu

RA's work a min. of 8 hours/week in the lab and receive 3 credits for registering for PSYCH 286 (Research Apprenticeship).

Name:

Email:

Phone:

- 1.) Explain why you are interested in being an RA at the UMB Baby Lab.
- 2.) Explain how your past experiences prepare you to be an RA in a developmental lab.
- 3.) Are you available for 8 hours/week in the lab during the semester? (more on your availability below)
- 4.) Are you available for 1 full year? (This is not always necessary, but in most cases, preference will be given to students who can stay on for more than one semester. Note RAs starting in Spring may leave for Summer and return in Fall.)
- 5.) Do you live in the Boston area? If not, how will you commute?
- 6.) Describe your experience working with families.
- 7.) Please describe your career plans. Explain how being an RA in our lab would benefit you.
- 8.) Give a few examples of how you function under stress.
- 9.) At the end of this semester, how many credits will you have completed?
- 10.) Your overall GPA: _____ and your Psych GPA: _____
- 10.) Describe your language and communication skills, including English skills.
- 11.) Describe your non-academic interests and anything else you would like us to know about you.
